SUMMARY

- ❖ Fresh MBBS graduate with hands-on clinical exposure across Medicine, Surgery, Obstetrics & Gynaecology, Paediatrics, Orthopaedics and Emergency Medicine, seeking a Medical Officer role to build clinical skills and deliver compassionate, ethical patient care.
- ❖ Completed a structured internship covering major clinical rotations, gaining direct experience in diagnosis, patient management, minor procedures and emergency stabilisation under supervision.
- ❖ Registered member of the Bangladesh Medical & Dental Council (BMDC), committed to continuous learning and improving clinical competence.

PROFESSIONAL EXPERIENCE

Intern Doctor

Chattogram Maa-O-Shishu Hospital Medical College, Chittagong

Sep 2024 – Sep 2025

Medical Officer

Mother & Child Care Hospital, Haliahahar

Medical Officer (Replacement)

Al Hayat Hospital, Chittagong

Responsibilities:

- Medicine: Managed patients with common medical conditions, performed history taking and physical examinations, assisted in ward rounds, and participated in diagnosis and initial management under supervision.
- Surgery: Assisted in pre-operative and post-operative patient care, minor surgical procedures, wound management, suturing, and OT assistance.
- Obstetrics & Gynaecology: Observed and performed normal vaginal deliveries and assisted in caesarean sections, antenatal and postnatal care, and management of common gynaecological conditions.
- Paediatrics: Assessed paediatric patients, monitored growth and development, assisted in neonatal care, vaccination programs, and management of common childhood illnesses.
- Orthopaedics: Assisted in fracture management, plaster application, trauma care, and post-operative rehabilitation of orthopaedic patients.
- Emergency Medicine: Provided initial assessment and stabilization of emergency cases; assisted in resuscitation.
- Community Medicine: Participated in community health programs in Anwara Upazila Health Complex, Chittagong.
